## Brand Information

**Brand Name:** Clorox Clean Up Spray with Bleach

**Form:** pump spray

**Product Category:** Home inside

**Purpose:** Disinfectant

**Type:** all purpose cleaner

**Customer Service No.:** 800-292-2200

**Date Entered:** 1996-08-21

**Related Items:** [Products with similar usage in this database](#)

## Manufacturer

**Manufacturer:** Clorox Co.

**Address:** 1221 Broadway

**City:** Oakland

**State:** CA

**Zip Code:** 94612

**Telephone Number:** 510-271-7000

**Fax Number:** 510-832-1463

**Toll Free Number:** 800-292-2200

**Date Info Verified:** 2003-01-01

**Related Items:** [Products by this manufacturer](#)

## Health Effects

**Acute Health Effects:** From MSDS

Inhalation: Exposure to vapor or mist may irritate eyes, nose, throat, and lungs. Skin Contact: Mild to moderate skin irritant. Some clinical reports suggest a low potential for sensitization upon exaggerated exposure to sodium hypochlorite, particularly on damaged or irritated skin. Eye Contact: Moderate eye irritant. Ingestion: May cause nausea and vomiting if swallowed.

**Chronic Health Effects:** MSDS states that occasional clinical reports suggest a low potential for skin sensitization upon exaggerated exposure to sodium hypochlorite if skin damage (e.g., irritation) occurs during exposure. Routine clinical tests conducted on intact skin found no sensitization in the test subjects.

The MSDS provides no other information about chronic health effects resulting from prolonged or frequent use of this product.

See the accompanying chemical database file for a further discussion of potential health effects of the chemical ingredients that are found on the label or mentioned in the MSDS. (Product ingredients, if available, are found in the current database file.)

**Carcinogenicity:** The manufacturer's Material Safety Data Sheet (MSDS) states that the product contains no substances that are considered carcinogenic or potentially carcinogenic by NTP, IARC, or OSHA.

**MSDS Date:** 1996-08-21

**Handling/Disposal**

**Handling:** MSDS: Keep out of reach of children.

Do not get in eyes or on clothing. Avoid prolonged or repeated skin contact. Avoid prolonged breathing of vapor. Use only in well ventilated areas. For sensitive skin or prolonged or repeated exposure, wear rubber gloves.

Product reacts with other household chemicals such as acid toilet bowl cleaners, rust removers, acids, vinegar, and ammonia-containing products to produce hazardous gases such as chlorine and chlorinated compounds. Prolonged contact with metal or old porcelain may cause pitting or discoloration.

pH = 12.4-12.8

**Disposal:** MSDS: Small household amounts may be disposed of by flushing down the drain with plenty of water. Rinse container and replace cap before discarding. Do not reuse empty container.
